Our Global Footprint

Distribution and Value-Added Processing

We see the big picture, we keep our promises, and we take care of our customers' needs every step of the way. We are expanding our footprint in Myanmar and Indonesia via the local distribution business to complete the end-to-end supply chain for our customers.

Cargo Clearing & Handling – Unloading & bagging

Warehousing & Storage – Inventory management & quality control

Value-Added Processing – Quality management

Trucking & Logistics – Send stocks to deliver inventory to final destination

Local Sales – Sell in local currency & in smaller volumes
