SCOULAR®
Food Innovation

On-trend ingredients. All-access partnership.

There's no limit to what we can create together. With an expansive portfolio, a dedicated team of experts, Scoular is your all-in-one partner for on-trend food ingredients. Our solutions are safe, reliable and designed to give you more control and a competitive advantage.

AN INFLUENTIAL AND CONNECTED PARTNER

As a part of Scoular—a global, $8 billion dollar company—we have the experience and connections to help you find your next innovation.

THE INGREDIENT SOLUTIONS YOU NEED

With an in-house research and development team and extensive portfolio, we can create the custom solutions you need—from concept to commercialization.

AN EXPERIENCE YOU CAN COUNT ON

Our reliable and insatiably curious team delivers on time, every time. If you have questions, we're here to help.

CREDIBILITY. ACCESS. SERVICE.

We bring high-quality ingredients to your company by leveraging our technical expertise and robust global supply chain knowledge.
