

# Specialty Pet Portfolio

At Scoular, we know pet. We understand the need for customized solutions with a safe, nutritious, and reliable ingredient supply. Our 30+ years of end-to-end experience in the pet food industry has given us expert insight into the best ways to source, move and handle ingredients.

## Benefits consumers want. Partnerships you need.

Digestive health, dental care, and immunity diets—our diverse ingredients support these and other important nutrition and pet health priorities. Scoular can help you discover the right cost-effective and nutritious ingredients for your formulations that support trending, health-focused pet diets and pet owner concerns.

### Protein Concentrates & Isolates

Our grain-free and plant protein ingredients offer a hypoallergenic and non-GMO option to pet food manufacturers.

- Faba Protein
- Potato Protein

### Functional Proteins

With access to global markets, we provide functional protein ingredients to add supporting nutrients and a balanced amino acid profile to your pet food formula.

- Guar Meal
- Insect Proteins
- Krill
- Lipid-Extracted Algae
- Single-Cell Protein
- Yeast

## Special Crops & Ancient Grains

We offer a range of ingredients derived from carrot, chickpea, faba bean, and other crops that have been cultivated for centuries around the world. These ingredients can add nutritional value, flavor, and functionality to your pet food products.

- Carrots
- Chickpeas
- Faba Beans
- Kelp
- Sunflower
- Chicory Root

## Nutritional Supplements

These nutritional supplements have various benefits to support your pet's health and well-being.

- Blue Shell Mussel
- Chondroitin
- Fermented Dried Seaweed
- Glucosamine
- Green Lipped Mussel
- Mushroom Powder

## Flours, Fibers & Starches

Our flours, fibers and starches offer a hypoallergenic and non-GMO option to ensure the desired characteristics for your pet food recipes.

- Blueberry Powder
- Brown Seaweed
- Carrot Powder
- Chicory Root
- Chickpea Flour
- Citrus Fiber
- Cranberry Powder
- Faba Flour
- Fructo-Oligosaccharides (FOS)
- Galacto-oligosaccharides (GOS)
- Inulin
- Kelp Meal
- Mannan-Oligo-Saccharide (MOS)
- Miscanthus Fiber
- Quinoa Flour
- Pea Fiber
- Potato Flour
- Potato Starch
- Pumpkin Flour
- Sweet Potato Flour
- Tomato Pomace

## Oils

Our oils are specially designed to increase palatability while providing a better taste and an enjoyable experience for pets.

- Canola Oil
- Coconut Oil

## Gums

Our gums are widely used in pet food applications for their gelling and thickening properties.

- Agar
- Cassia Tora Gum
- Guar Gum
- Xanthan Gum
- Kappa Carrageenan
- Locust Bean Gum
- Psyllium Husk

## Co-Products

Using ingredients among our co-product offering can bring added nutritional benefit to your pet's diet while minimizing waste.

- Citrus Pulp
- By-Pass Protein
